

FACULTY OF EDUCATION
List of Doctor of Philosophy in Education (PhD) Dissertations

1	Author Title Year	Alfonso, Rodigelio F Dynamics of Conceptual Change in the Biology Classroom: A Multidimensional Interpretive Framework 2001
2	Author Title Year	Alba, Josephine B. Enhancing Laboratory Performance and Scientific Attitudes of General Botany Students Through Inquiry-Oriented Laboratory Activities 2002
3	Author Title Year	Locaylocay, Jocelyn R. Changes in College Students' Conceptions of Chemical Equilibrium 2002
4	Author Title Year	Petilos, Gabino P. Constructivist Model for Teaching Problem-Solving and Critical Thinking Skills 2002
6	Author Title Year	Sarmiento-Placides, Estrella A. Relationship of Selected Factors to Science Teaching Efficacy and Classroom Performance of Biology-Student Teachers 2002
7	Author Title Year	Supremo, Janette P. Learning Transfer and Durability in College Biology Students Via Computer-Assisted Instruction 2002
8	Author Title Year	Torre, Carla B. Practical's for Enhancing Conceptual Understanding in Inquiry Skills 2002
9	Author Title Year	Valenzuela-Vicente, Grace Enhancement of Problem-Solving Skills in Chemical Equilibrium Through a Modified Network Approach 2002
10	Author Title Year	Castillo-Gelito, Lorna Determinants of student Performance in the Science Component of the National Secondary Assessment 2003
11	Author Title Year	Lahoylahoy, Myrna E. Effects of Integrating History of Mathematics on High School Students Cognitive and Affective Learnings 2003
12	Author Title Year	Rabanal, Jennifer A. Analysis of Task Sequence and Critical Behaviors of Engineering Students and their Understanding of Conice Sections 2003

13	Author Title Year	Cabading, Evelyn T. Constructivist Approach: Its Impact on Prospective Maguidanaoan Teachers' Conceptions of Selected Topics in Environmental Chemistry 2004
14	Author Title Year	Cosadio-Tan, Milagros M. Conceptual Ecology of High School Biology Students in a Multicultural Classroom 2004
15	Author Title Year	Del Rosario, Bernadette I. STSE Approach in Environmental Science for Nonscience Students in a Local Culture: Academic and Sociocultural Analysis 2004
16	Author Title Year	Garcia-Palanca, Carmencita Knowledge Restructuring in Selected Topics in Chemistry Using the Process Workshop Approach 2004
17	Author Title Year	Hidalgo-Coral, Rosalina Metacognitive Learning Cycle Model: Effects on Conceptual Understanding and Problem-Solving Skills in Genetics 2004
18	Author Title Year	Lariego, Belen C. Developing Problem-Posing Abilities Among Preservice Mathematics Teachers 2004
19	Author Title Year	Raffinan, Corazon C. Nontraditional Problem Solving for Developing and Assessing Critical Thinking, Affective and other Cognitive Skills of Students 2004
20	Author Title Year	Malindog Jr., Esteban A. Effects of Contrastive and Generative Teaching Strategy in Chemistry 2005
21	Author Title Year	Racela, Emilia M. Teaching-Learning Processes in the Preservice Education of General Science Teachers 2005
22	Author Title Year	Villaluz, Elizabeth A. Pedagogical Content Knowledge, Instructional Design and Teaching Practice of High School Biology Teachers 2005
23	Author Title Year	Erece-Oda, Evelyn Cooperative Learning: Its Influence on Academic Achievement, Social Interaction and Self Concepts of College Biology Students 2007

24	Author Title Year	Salazar, Douglas A. Enhanced-Group Moore Method: Effects on Van Hiele Levels of Geometric Understanding, Proof-Construction Performance and Beliefs 2007
25	Author Title Year	Bernardo, Leonisa O. Sustained Community-Based In-Service Training and the Teaching Competency of Secondary School Chemistry Teachers 2008
26	Author Title Year	Callanta-Zamora, Lourdes A. The Quality of the Student's Mathematical Proofs as a Function of Classroom Assessment A Qualitative-Quantitative Analysis 2008
27	Author Title Year	Costillas, Juanita M Situating-Cognition Model in Teaching Mathematical Problem Solving Skills and Their Transfer to Other Domains 2008
28	Author Title Year	Diaz, Lucy G. Learning Strategies of High School Biology Students and Improvement of Biology Instruction 2008
29	Author Title Year	Domingo, Edgard C. Integration of Values and English in Mathematics Teaching: Effects of Understanding, Confidence and Problem Solving 2008
30	Author Title Year	Arada, Sabina Rachel B. The Actuarial Science Program in the Philippines: A Historical and Curricular Development Perspective 2009
31	Author Title Year	Consulta-Francisco, Ma. Theresa B. Experiential-Learning Approach and Scientific Literacy Dimensions of Objectivism, Personal and Social Constructivism 2010
32	Author Title Year	Guevara, Christia A. Multimodal-Representation Approach: Effects on Students Conceptual Understanding, Science Process Skills, and Attitude in Genetics 2010
33	Author Title Year	Hortillosa, Arlene D. Context Based Mathematics Problem Solving Cognitive and Affective Effects on BIT and BS Voc-Tech Students 2010
33	Author Title Year	Bolo-Kalaw, Maria Theresa Realistic Mathematics Approach, Mathematical Communication and Problem-Solving Skills of High-Functioning Autistic Children: A Case Study 2012

34	Author Title Year	Magistrado-Saong, Marilou Effects of Language and Other Correlates in Learning College Organic Chemistry 2012
35	Author Title Year	Diopenes, Georgina Angeles Development and Validation of Small-Scale Chemistry Experiments Using Local Materials 2013
36	Author Title Year	Lim, Catherine Abad Students' Academic Performance and Conceptual Knowledge in Microbiology and Parasitology taught with Problem Based Learning Approach 2013
37	Author Title Year	Noche, Joel Reyes Conceptual and Procedural Knowledge in Proportional Reasoning of Undergraduate Students 2013
38	Author Title Year	Tantiado, Rey Gomez Integrated Metacognitive Instruction: Effects on Students Learning Strategies, Volition, and Achievement in Biology 2014
39	Author Title Year	Yang-Seok (Fred) Yoo Gender Difference in Mathematics Achievement in Korea Singapore: Influence of Sociocultural Factors and Student Attitude Towards Mathematics 2014
40	Author Title Year	Conde, Rosie L. Mathematics Pedagogical Content Knowledge of Pre-Service Teachers and Didactics in Mathematics Course Prototype 2014
41	Author Title Year	Autida, Reynante E. Small-Group Case-Based Teaching: Effects on Student Achievement, Critical Thinking, And Attitude Toward Chemistry 2015
42	Author Title Year	Bitgue, Kari Ann V. Lesson Study, Impact on Teachers' Practices, Pedagogical Content Knowledge (PCK), and Technological Pedagogical Content Knowledge (TPCK), and On Students' Cognitive Skills and Attitude Toward Biology 2015
43	Author Title Year	Delos Santos, Nenita S. Inquiry-Based Laboratory Activities: Effect on Students' Inquiry Skills, Conceptual Understanding and Attitude Toward Genetics 2015
44	Author Title Year	Pantino, Francis O. Creative Writing Activities: Effects on Student Anxiety, Attitude and Achievement in Mathematics 2015

45	Author Title Year	Fetalvero, Eddie G. Consensus-Based Instruction: Effects on Students' Attitude Towards Biology and Achievement in Bioenergetics 2016
46	Author Title Year	Ricaforte, Benigno Glenn R. Eco-Inquiry Modules: Effects on Students' Achievement and Understanding of Environmental Concepts and the Nature of Science 2016
47	Author Title Year	Tamoria, Ferdinand V Institutional Characteristics, Mathematics Teacher Educator Qualities and Extent of Curriculum Adaptation 2016
48	Author Title Year	Buera, Fely B. Metacognitive-Creative Problem Solving Method: Effects on Students' Metacognition, Creativity, Conceptual Understanding and Performance in Physics 2017
49	Author Title Year	Junio, Melanie O. Influence of Lesson Study on Elementary School Science Teachers' Pedagogical Content Knowledge on the Nature of Science 2017
50	Author Title Year	Mocsir, Marzokie M. Development and Effectiveness of Facilitated Learning Modules in Introductory Analytical Chemistry 2017
51	Author Title Year	Danday, Billy A. Multiple-Representation Physics Lesson Study, Pre-Service Teacher Technological Pedagogical Content Knowledge Critical Thinking and Student Achievement 2018
52	Author Title Year	Ibasco, Reynaldo R. Collaborative Teaching: Effects on Science Teachers' Pedagogical Content Knowledge and Students' Understanding of Particulate Nature of Matter 2018
53	Author Title Year	Remedios, Rachel B. Phenomenography of Teachers' and Students' Understanding, Beliefs and Experiences of Physics Learning Assessment 2018
54	Author Title Year	Macale, Aphrodite M. Effect of Flipped Classroom With Peer Instruction (FCPI) on The Chemistry Achievement and Classroom Environment of Grade 7 JHS Students 2019

55	Author Title Year	Uro, Justine Leon A Statistical Approach in Tertiary Physics Laboratory: Effects on Student Achievement, Attitude, and Psychomotor Skills 2019
56	Author Title Year	Vidad, Dinah C. Students' Mathematics Problem Solving Difficulties and Coping and Strategies: A Model Building Study 2019
57	Author Title Year	Aves, Benedicto Norberto V. Design Research Approach in Developing Technology-mediated Learning Modules in Practical Mathematics for Technical Vocational Education 2020
58	Author Title Year	Bansiong, Apler J. Pre-Service Biology Teachers' Exposure, Understanding, Attitude, Self-Efficacy, Predisposition, Progressivist Views, and Application of Inquiry-Based Instruction. 2020
59	Author Title Year	Pondara-Villaver, Liel Gem M. Team-Based Flipped Classroom: Effects on Student Attitude, Motivation, Engagement, and Achievement in Mathematics 2020
60	Author Title Year	Barcelo, Jonathan M. Mereology-Based Instruction: Effects on Chemical Identity Thinking, Critical Thinking, and Chemistry-Based Health Literacy 2021
61	Author Title Year	Garcia, Lea C. Biology Teachers' Pedagogical Content Knowledge and Decision Making in Implementing the Inquiry Approach: A Multi-Case Study 2021
62	Author Title Year	Orteza, Flordelina Jr. C. Teacher Mathematical Pedagogical Content Knowledge, Student Learning Style, Instructional Plan, and Classroom Interactions in Mathematics: A Multi Case Study 2021
63	Author Title Year	Pinpin, Lilibeth Persistence of Filipino-American Students in Undergraduate Biology Major: A Phenomenological Study 2021
64	Author Title Year	Santos, Arman DC. Assessing Dyscalculic Tendencies Among Children Through a Mobile Application Screening Tool 2022
